

Union County Timber Cruisers Car Club

January 8, 2011 meeting

The first meeting of the year was a year-end party held at Island City's City Hall in a large room beautifully decorated with a winter theme.

26 members were in attendance along with 2 guests, Bobby Cornford, President of the Rusty Wheels Car Club and her daughter, Sherry Nantz.

Steve Bloyed first directed everyone to eat from a bountiful potluck, then with tummies filled, he thanked members who have served in various positions (elected and volunteer) with him this past year.

Amidst much laughter the following slate of officers were nominated and voted upon unanimously to serve.

President for a second term: Steve Bloyed

Vice President: "Starkey" Dave Beede

Secretary: Janis Bozarth

Treasurer: Wayne Weller

(Speaking of treasurer, \$15.00 yearly dues for 2011 are now due. You may send a check or money order to UCTCCC, P.O. Box 1181, La Grande, OR 97850. Don't miss out on a year's worth of entertainment for so cheap a price.)

Arlan Miesner, who is in charge of our annual car show, went through a proposed 2011 budget for this event. We have gained a second sponsor (Goss Motors) who has committed to meet the same amount as our 2010 sponsor (Baxter Automotive) so we have a greater amount of money to put together an even better show. One expense not listed on the budget was to have signage made that would direct cars off the freeway to the event.

Steve asked that the club meeting usually held on the second Wednesday be changed due to conflicting schedules for a number of the members. It was decided by all to move the meeting to the 2nd Tuesday of each month, (5:30 PM), starting on February 8th UNLESS Flying J cannot accommodate us on that day. The second option would be to go to the first Tuesday, February 1st. Arlan will contact Flying J and let us know and we'll get that information out to all as soon as possible.

Steve indicated the 3 large tables, which held our smorgasbord, had been purchased for \$25 each by the club. These will serve us well for the car show.

The Don Hamann Memorial funds have been dispersed to Tyler Kennon, who along with his wife were thankful for the monetary help to get his training.

The Procrastinator's White Elephant gift exchange commenced and ended our evening.

Respectfully submitted,

Sheralyn Weller,

Retiring Secretary.
