

Union County Timber Cruisers Car Club

June 7, 2011 Meeting

Members Present: 19

Steve Bloyed opened the meeting at approximately 5:30 p.m. Because Steve had another commitment and needed to leave early, there was no treasurer's report because there was no change from last month. The minutes were accepted as submitted. Steve asked Arlan Miesner to give a report on the upcoming car show.

- Arlan has been in touch with Sydney regarding the food. The meal for Saturday night will be steak or chicken, baked potato, bean salad, and a drink.
- The raffle items are being picked up. Arlan asked if anyone had a white board to use. Carolyn Bloyed will bring one from the college to use. Arlan said that seven trophies will be given out by businesses. Arlan suggested having an additional table to use for the raffle. John Lackey will provide another table. Mary Ann said that Tana McClay and Janis Bozarth will help with the raffle.
- Mary Ann Miesner and Carolyn Bloyed will help with registration.
- The guys will be in charge of parking. Four vests have been provided by Jim McElroy.
- Arlan asked John and Janis to talk to Pepsi or Coke to see if they will donate pop for the Saturday night meal.
- There were requests to have a motorcycle category this year.
- Everyone working will need to be there are 7:00 a.m.
- The goodie bags will be put together the week of June 27. Bloyeds, Miesners, and Bozarth will work on putting these together.
- There will not be another meeting before the show. Arlan will contact the chairmen between now and the car show.
- Steve talked about the fact that we can't be responsible for any damage that might be done to vehicles during the show. He said we need to be diplomatic in talking to car owners regarding this.

Steve introduced new members, Ken and Vicky Bruce.

Arlan asked that if anyone was going to the Joseph or Elgin car shows would they take brochures for our car show to pass out. Ken Bruce volunteered to hand out brochures.

Ken Bruce said he had talked with Peggy Case, who used to own Spicy Creations, about having a coffee cart on Saturday during the car show. The location for her coffee cart will be in front of Goss Motors.

Arlan mentioned several car shows that are coming up in the next few months. He has received many fliers. Anyone interested should contact Arlan.

Carolyn said that Weiser has a cruise-in every Thursday. It might be nice for some of us to go to one of these sometime this summer.

The meeting was adjourned at 5:57 p.m.

Respectfully submitted,

Janis Bozarth, Secretary
