

Union County Timber Cruisers Car Club

October 11,2011 Minutes

20 members present

President Steve Bloyed opened the meeting at approximately 6:15 p.m. Steve read the minutes from the September meeting and then asked for a motion to approve the minutes. Carolyn Bloyed moved that the minutes be approved, seconded by Eric Nelson. Motion passed.

Wayne Weller reported a balance in the treasury of \$3,754.54.

Carolyn reported on the Rusty Wheels Valley Rally on Saturday, October 15. The rally takes 45 to 60 minutes to complete. Everyone participating should bring a salad or dessert to share. A Halloween get-together is scheduled for October 22 at Island City City Hall. If you have not yet let Carolyn know if you are attending, please do so ASAP. Costumes are encouraged, but not required. There will be prizes for the best costume for man/woman, and there will also be a pumpkin carving contest. Please bring a dish to share. Coffee and punch will be provided. And it is recommended that you bring your own table service.

Mary Ann presented a visitors' book prepared by the Springfield, Ill. Chamber of Commerce that she picked up when she and Arlan were traveling. In the booklet, there was a full-page ad devoted to the city's car show. It was very impressive and she asked if members thought we should look into this – purchasing a full-page ad in the Chamber's visitors' guide. The general feeling was it would be worth looking into. Mary Ann will follow up with this and check into what the cost would be. The Chamber already has advertisers for 2012, so if the club decided to do this, it wouldn't be until 2013.

Someone asked about the calendars. Janis read the paragraph in the September minutes relating to the calendar fundraiser. Plans for this have been discontinued, but the club is open to other ideas.

It was reported that Ron Simonis has a 1967 Mustang for sale: \$19,000. Sheryl said that she and Wayne have a "girl" up for adoption. She's free to whoever might want her. She has blond hair, a bonnet, red overalls, and a long-sleeved shirt. She's about 27" tall and cute as can be leaning up against your vehicle. Contact Wellers if you're interested. Sheral also reported that their oil leak has finally been fixed.

Steve asked for a motion to close the meeting. John moved and Mary Ann seconded the motion to close the meeting. The meeting was closed at approximately 6:35 p.m.

Respectfully submitted,

Janis Bozarth, Secretary
