

Union County Timber Cruisers Car Club

September 13, 2011 Minutes

13 members present

In the absence of President Steve Bloyed, who is in Roseburg with his water tender, Vice-President Dave Beede opened the meeting at 6:05 p.m.

Minutes from the previous meeting were approved. John Lackey made the motion to accept, seconded by Tana McClay.

Wayne Weller reported the current treasury balance of \$3,433.34.

Under Old Business, Sheralyn Weller said plans have been discontinued to produce a car calendar for the club to use as a fundraiser. Because of the plan to use popular music corresponding to the year of each vehicle we featured, we ran into a roadblock with ASCAP, who licenses the use of such music and artists, receiving royalties for their use. Carolyn Bloyed said another roadblock was the cost per calendar (\$8.00+) to have them produced. Our profit margin would be severely cut, as we couldn't sell them for more than \$12.00. However, we're open to other ideas members may have.

Under New Business, Dave reminded everyone about the brunch at Rim Rock Restaurant north of Enterprise on Saturday, September 17th. At last count, there were 24 planning on going. Please meet at Wal-Mart's parking lot. The group will leave there at 9:00 a.m. Don't be late!

Also, on September 17th is a car show at Prineville's fair grounds, and on October 1 there is a car show at the Quinault Casino in Ocean Shores, Washington.

John Lackey asked if the club had anything planned for the future. Carolyn said that a party (Halloween type) was being planned in October at Island City City Hall. The exact date is not known at this time. There will be information on this at a later date.

Dave and Tana McClay have a new project. "Willa" will be Tana's and is otherwise known as a '53 Willys Aero, bought in Othello, Washington. Tana said she was thankful that Steve Bloyed went with them to get it. Dave became our entertainment for the evening as he told stories of getting "Willa" home. Do make a point of asking Dave about the fence post holding up the broken trailer axle, or getting a NOS tail light from Israel.

Loyd Hoke also has recently obtained a Ford pickup project vehicle.

Wayne Weller said that a friend was looking for a '61-'63 Ford Thunderbird for parts and a Tacoma friend has a 1933 Ford flatbed for sale (\$6,500). Wayne and Sheralyn have pictures of the truck if anyone is interested.

Sheralyn Weller made a motion to adjourn the meeting, seconded by Virginia Lackey. So moved.

Filling in for missing Secretary, Janis Bozarth, who is in Minnesota for her nephew's wedding.

Respectfully submitted,

Sheralyn Weller
